Visit East Lothian APP
available from

Make the most of your
East Lothian day out!

How to use our new APP

- Download for free from  Google play
- Open the APP on your mobile device
- Switch between **Map View** / **Car Park View**

map view

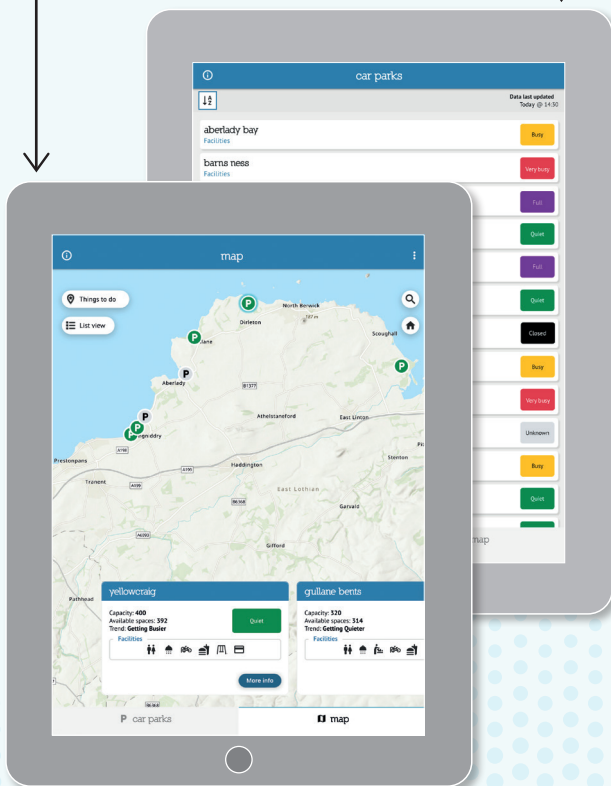

- Map shows location of car parks
- Select a **Car Park** symbol  for detailed information:
 - capacity
 - quiet / busy / full
 - facilities available
 - directions to the location

car park view

- Initial view shows each Car Park with:
 - how busy it is
 - distance from current location
 - facilities available (toilets etc.)
- Click on a **Car Park** and see where it is on the **Map**

nearby

Use the **Nearby** icon to find **Car Parks** or **Places of Interest** that are nearest to where you are.

things to do

Places of Interest, including:

- Accommodation
- Attractions
- Food and drink

... with information about each one, including directions, and links to the Visit East Lothian website.
