Parking in North Berwick

Parking charges will come into effect in North Berwick on 1 June 2026.

The introduction of three Controlled Parking Zones, waiting restrictions and parking charges aim to better manage limited parking, particularly in areas affected by high visitor demand.

Short stay parking is mainly closer to the town centre while slightly longer-stay options are found on the edges of the parking zones. The changes only apply to the Controlled Parking Zones in the town centre. Free parking is still available outside this area, including at Recreation Park on Dunbar Road.

This leaflet will help you understand what the scheme means and where you can park.

Information is also available online:
www.eastlothian.gov.uk/NB-parking

Where can I park?

There are three Controlled Parking Zones: Central, East and West. Residents in these areas can apply for parking permit for themselves, and one-day permits for their visitors. People who own or manage a second property/holiday home within these zones can also apply for a permit. Permits are linked to the car's registration number and can be used in residents' bays and paid for parking spaces within their zone.

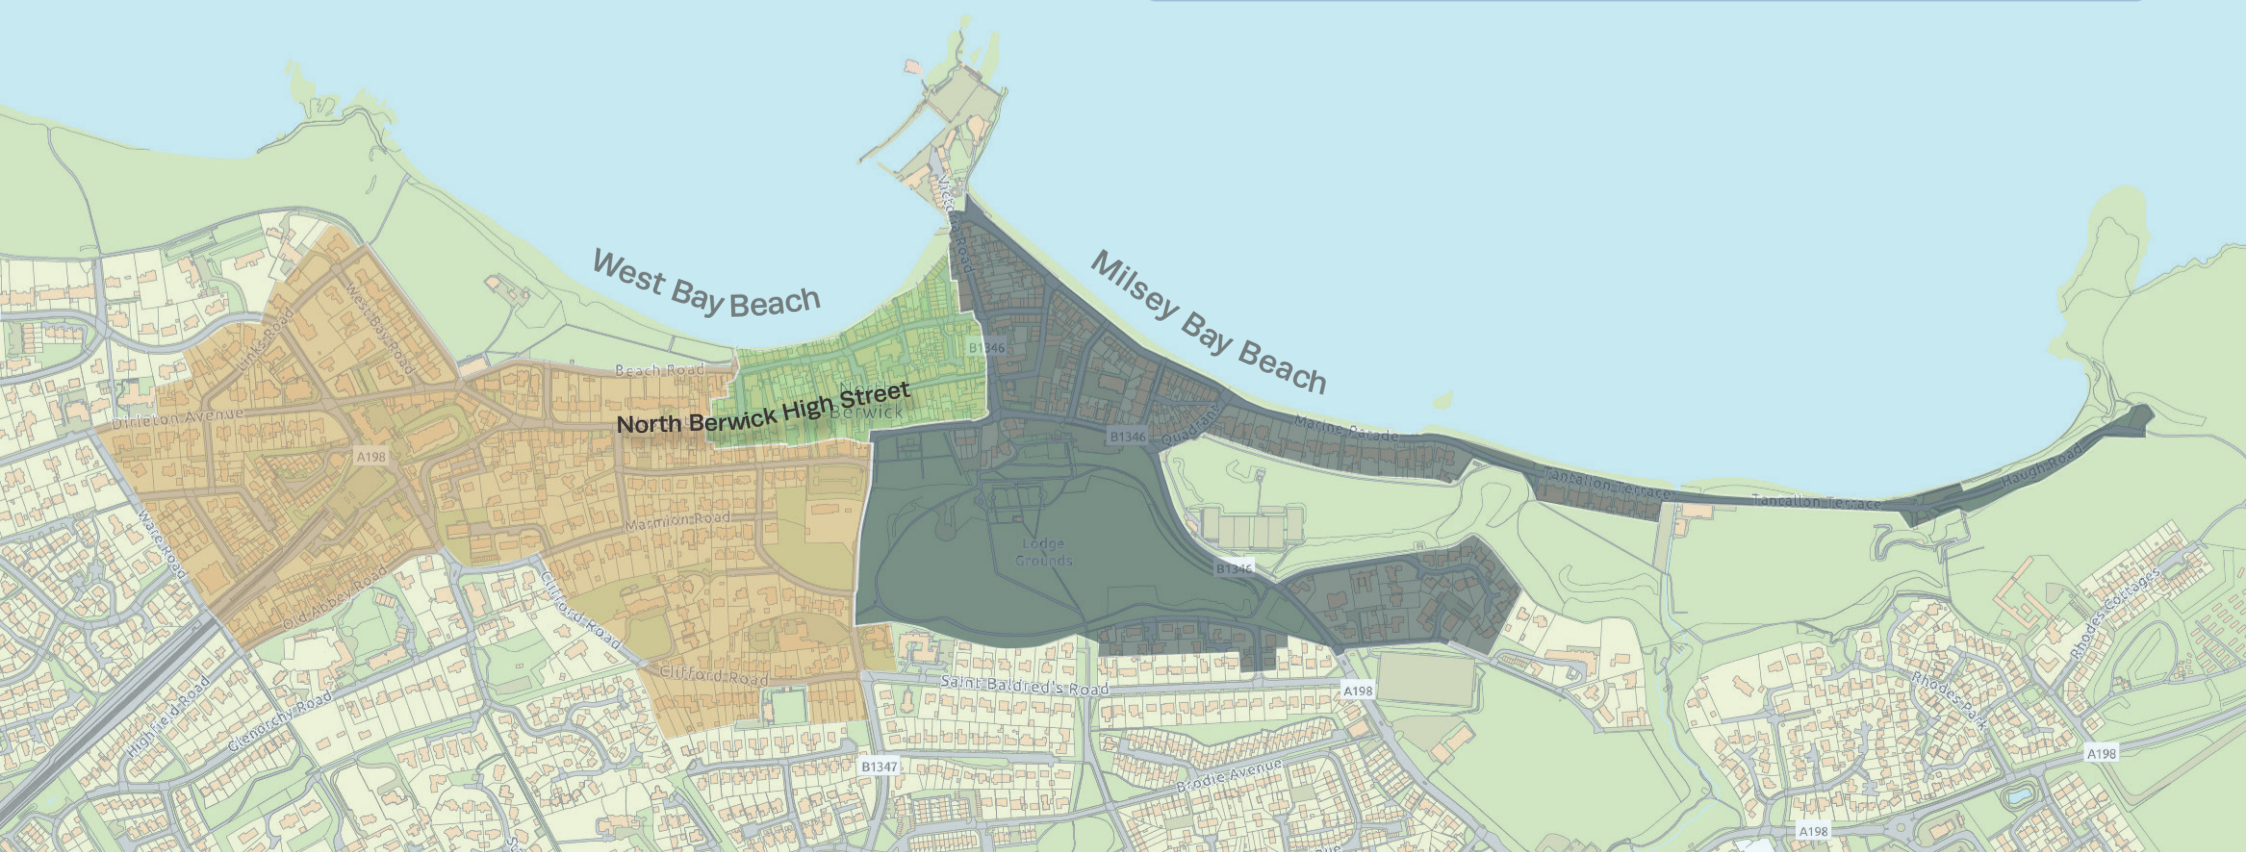

Non-residents can park in on-street bays or town centre car parks – the costs and how long you can park for will depend on the location so please check signage. Campervans and motorhomes can park at Haugh Road or Sewage Road car parks only. There are no restrictions on parking outside the Controlled Parking Zones, a short walk from the town centre.

When do parking charges apply?

Parking charges apply from 10am until 4pm Monday to Saturday, and from 1pm until 4pm on Sundays. Tantallon Terrace charges are from 10am until 6pm Monday to Saturday, and from 1pm until 6pm on Sundays.

How much will parking cost and how do I pay?

Costs will depend on where you park, so please check signage or our website. Some areas, including High Street, offer a period of free parking before charges start. You can pay through the RingGo mobile app and on-street parking machines using cash, card or contactless.

Car parks

There are a number of car parks in the Controlled Parking Zones. Each has specific charges and maximum stay limits so **always check signage**. There is also one car park outside the zones:

1. Glebe, St Andrews Street
2. Kirk Ports, Law Road
3. Imperial, Quality Street
4. The Lodge, East Road
5. Castle Hill, Tantallon Terrace
6. Sewage Works Haugh Road
7. Recreation Park Car Park – outside the zones and free at all times.

Glebe, Imperial and Lodge car parks offer free parking from the last Sunday in October to the last Sunday in March.

details

What happens if I don't pay or overstay?

Parking Charge Notices (PCNs) will be issued to vehicles that are parked incorrectly. A PCN costs £100, reduced to £50 if paid within 14 days. PCNs can be appealed online or by post through our parking enforcement process.

Blue Badge holders

Blue Badge holders can park for free in disabled parking spaces, paid for parking bays and on single and double yellow lines if there are no loading restrictions and it is safe to do so.

Key

-  £0 (45min), £1 (75min), £2 (90min) – 90min max
